

SEASON

3

2014

Welcome to our 3rd season!

*What began in 2011 as a wish
and a prayer is now a well-established
musical series featuring performers from*

*around the world. We are so excited to offer this new season
with some very eclectic groups.*

*We know you will enjoy the music and the environment
of the Northridge Friends of Music. Our previous concerts
are still being talked about for their excellence and variety.*

*We offer these concerts to help maintain the tradition
of music here at Northridge United Methodist Church.
Proceeds from our concerts help to provide support for our
broad range of musical programs. Our youngest singers
begin with the Cherub Choir of preschool and kindergar-
teners, who enjoy a wonderful music readiness program,
as well as our Children's and Youth Choirs. Our Jubilee
Handbells provide a learning group for youth and adults.
The top adult performance groups include our Celebration
Handbells, our Solid Rock praise band and our forty-voice
Chancel Choir. We also have one of the best jazz venues in
the southland with our monthly Jazz Vespers service every
second Sunday at 6:00 p.m. Throughout our programs
we strive to bring excellence to our praise of God and the
celebration of life.*

*We warmly welcome you to enjoy the beauty of our
music in concert and in worship.*

*To God Be the Glory,
Rev. Steve Petty, Senior Pastor
Northridge United Methodist Church*

**We
warmly
welcome
you to
enjoy
the
beauty
of our
music in

Although not part of our formal season offerings, we invite you to be with us for the holidays!

Our own Solid Rock band, Jubilee and Celebration Ringers, the Chancel Choir, plus the Youth and Children's Choirs join musical forces to create joyous and magical tidings of the season. December 15, 2013 at 4:00pm.

**The sophistication of jazz,
the energy of swing**

These five superb voices have shared the stage with such diverse talents as LeAnn Rimes, Josh Grobin, Ray Coniff, Julie Andrews and Placido Domingo and have also sung for the President of the United States and the Queen of England. Called “honey for the ears,” this group doesn’t need instruments, they ARE the instruments!

Five voices singing unaccompanied, immersing the finest musical literature of the 20s, 30s, 40s and 50s in intricate vocal arrangements that bring the soul of the music to the surface.

music, rock
music
and rockin'
organ music!**

Hall, Segerstrom Hall, and Lincoln Center, as well as rock clubs such as The Viper Room, The Roxy and Whisky A Go-Go in Los Angeles.

The creator of the genre-crossing, multi-media series, *Organica*; he has also produced and performed on numerous albums. A concert organist, composer, singer-songwriter, and pianist, Mr. Bull is the organ professor and university organist at UCLA as well as organist in residence at First Congregational Church in Los Angeles.

Golden State British Brass Band

**Brass and nothing but Brass –
British Style!**

Bold, Brassy, Sassy and Smooth, this group adheres to the true British Brass Band heritage of “no strings attached,” and is not your ordinary ompah band. Unusual instruments like the euphonium, flugelhorn and coronet, usually the orphans of an orchestra, often carry the melody. Come, blow your horns!

Golden State British Brass Band is a perennial favorite at Disneyland.

The Perfect Gentlemen

**Marvelous melodious
music mingled with
masterful mirth!**

Superb versatility allows The Perfect Gentlemen to shift effortlessly between vocal styles, and led this group to winning the *Los Angeles Regional Vocal Harmony* award in 2000. Building from that significant award, their “perfection” of harmony resulted in the winning of the National Harmony Sweepstakes title of *Best A Cappella Vocal Group* plus *Best Original Arrangement* as well as *Audience Favorite* in 2002!
